The draft AOC is still in draft form as well as the notice letter. Those documents will not be sent out per instructions from Pam on last Thursday until there has been a briefing on the issues.

Subject: EXPLO deliverables/meetings from last week

Good morning everyone,

At the end of last week we were working on a Draft AOC and General Notice Letter, an Options Paper, and a Congressional Briefing Package. We also had a proposed briefing for Sam/Ron with Pam on EXPLO and the deliverables listed above. Can you please provide a quick update on the status of the deliverables and proposed briefing so we are all in the loop?

FYI – Joy and I updated the ppt for the Congressional briefing on Thursday before our 3:30 call with FFEO. Please let me know if you need another copy. I also spoke with Joy and Jason about putting together a Community Relations Plan/Package and will be coordinating with Jason tomorrow when we are both in the office.

Please let me know if you have any questions for me.

THANKS!
